

Cell Phone Responsibilities and Contract

I, _____, will use my cell phone responsibly. This means:

1. The phone belongs to my mom and dad. I know that I am borrowing the phone from them. They bought the phone and are paying for it. That means they can take it away from me whenever they see me being irresponsible.
2. My mom and dad will always know the password.
3. I will always know where my cell phone is, and I will take great care not to drop it, break it, or misplace it.
4. I will always answer the phone when my mom or dad calls me. If I miss a call, I will call them right back.
5. I will hand over the phone to my parents every night at 8 p.m.
6. I will always get permission before downloading anything.
7. I will not ever text or make comments that are mean or that I would never say to someone's face. If I get a mean or inappropriate message I will tell my mom or dad.
8. I will only take pictures that I would show my mom, dad, or teacher.
9. I will keep the phone turned off during family time and away from the dinner table.
10. I will follow all school rules regarding cell phones.
